

RAMPMASTER

CHAMPION OF EXCELLENCE

10,000 GALLON LowPro RAMPMASTER MODULAR LIFT DECK JET REFUELER

Low profile, high traction, short turning radius,
lift deck Rampmaster refueler.

10 LowPro (LOW PROFILE DESIGN)

- MODULAR DESIGN** ■ Only Rampmaster exclusively offers MODULARITY, pioneered and truly proven. "On airport exchange" of power vehicle, tank, or pump module keeps Rampmasters pumping and eliminates re-plumbing costs during overhaul.
- CAB-OVER DIESEL** ■ Avoids the difficulties of servicing hard-to-reach maintenance points. Our heavy duty diesel and Allison automatic transmission combination, provides unequalled durability in actual service. Superior visibility for increased safety.
- ALUMINUM TRAILER** ■ Heavy duty aluminum trailer detaches in minutes. While coupled, Rampmaster's patented design enables the vehicle to steer easily, as a true straight truck, without trailer pivoting. 128-inch axles provide maximum stability.
- FILTER** ■ Four-inch, 800 GPM, two-stage, complete with water detection, automatic fuel shutdown, Gammon differential pressure gauge and air eliminator.
- SUPPORT** ■ Field mechanics are located strategically to provide assistance as needed. Factory personnel place vehicles into service for "zero defect" start-ups.
- WARRANTY** ■ All Rampmaster Modular Refuelers are guaranteed for one year. Tanks are guaranteed against leaks for ten years (see warranty for specific details).

POWER MODULE

Commercial Class 8 Chassis
Heavy Duty Diesel Engine
50 States EPA Approved
Allison Automatic Transmission
Cab-Over Design
Chalmers Suspension on drive
axle.

**One Size Radial Tubeless Tires
on all axles**

PUMP MODULE

800 GPM up to 20 PSI back pressure
2 Fueling Platform Hoses
1 Single Wrap Side Reel (450 + GPM)
Air-Operated Deadman
Stainless Steel Piping
Ticket Printer
Water Detection
Gorman Rupp Fuel/Defuel Valve
2,000 lb. Scissor Style Hydraulic
Fueling Lift Platform
Patented "Flowmaster" flow control
system

TRAILER MODULE

Single Compartment
Heavy Duty Aluminum Tank
Exceeds DOT 406
2-Stage Hi-Level Shutoff
Bottom Load (Standard)
Precheck (Standard)
Chalmers Suspension
Tank Level Indicator
Tubeless Radial Tires
