

RAMPMASTER

CHAMPION OF EXCELLENCE

7,000 GALLON RJ RAMPMASTER COMMUTER SPECIALIZED MODULAR JET REFUELER

An ideal combination of performance versus price, the Rampmaster 7,000 RJ is the most efficient refueler for the commuter ramp.

7 RJ (REGIONAL JET)

- MODULAR DESIGN** ■ Only Rampmaster exclusively offers MODULARITY, pioneered and truly proven. "On airport exchange" of power vehicle, tank, or pump module keeps Rampmasters pumping and eliminates re-plumbing costs during overhaul.
- CONVENTIONAL CAB DIESEL** ■ Good visibility and abundant interior room with seating for three occupants. Our heavy duty diesel and Allison automatic transmission combination, provides unequaled durability in actual service.
- PUMP MODULE** ■ Constructed out of aluminum and stainless steel. No paint is needed which lowers maintenance costs.
- TRAILER** ■ Heavy duty aluminum trailer detaches in minutes. While coupled, Rampmaster's patented design enables the vehicle to steer easily, as a true straight truck, without trailer pivoting.
- FILTER** ■ Three-inch, 300 GPM filter monitor with differential pressure gauge and air eliminator.
- SUPPORT** ■ Field mechanics are located strategically to provide assistance as needed. Factory personnel place vehicles into service for "zero defect" start-ups.
- WARRANTY** ■ All Rampmaster Modular Refuelers are guaranteed for one year. Tanks are guaranteed against leaks for ten years (see warranty for specific details).

POWER MODULE

Heavy Duty Chassis
Heavy Duty Diesel Engine
Allison Automatic Transmission
Short Conventional Design
Full Air Brakes
Radial Tires

PUMP MODULE

300 GPM
1 Single Point Side Reel
1 Overwing Hose Reel
Air-Operated Deadman
Stainless Steel Piping
Electronic Ticket Printer
FLOWMASTER Flow Control
Gorman Rupp Pump
Gorman Rupp Fuel/Defuel Valve
Filter Monitor

TANK MODULE

Single Compartment
Heavy Duty Aluminum Tank
2-Stage Hi-Level Shutoff
Bottom Load (Standard)
Precheck (Standard)
108-Inch Axles
Chalmers Suspension
Tank Level Indicator

OPTIONAL EQUIPMENT:

2nd Overwing Hose Reel
Electronic Prist Injector
